

# Photography Challenge 2024

## Innovation and Change

Look at how modern influences are shaping Bhutan and the blend of old and new traditions. Explore the evolving world through your lens by capturing images that showcase technological advancements, cultural shifts, and environmental transformations. Submit your photos to showcase how innovation shapes our lives and landscapes.

### Guidelines for the Photography Competition

1. **Eligibility:** Open only to Royal Thimphu College family. Make sure to provide the required details.
2. **Entry Limits:** Each person can submit one photo with a caption. Your photo and composition must be original and taken by you.
3. **Submission Guidelines:** Submit your photos in digital format as JPEG files with good resolution.
4. **Judging Criteria:** Photos will be judged based on originality, composition, impact, and artistic quality. The judges' decision is final.
5. **Prizes:** Winners will be announced, and prizes will be given for first, second, and third places.
6. **Deadline:** Make sure to submit your entry before the deadline, April 30, 2024. Late submissions won't be accepted.
7. **Use of Photos:** By entering the competition, you permit for your photos to be used in promotional material and displays.
8. **Ethical Standards:** Your photos should not show wildlife in distress, staged situations, or manipulated environments. Always show respect for your subjects and the environment
