

RTC OUTSTANDING STUDENT LEADERSHIP AWARD NOMINATION FORM

Due by 4:00 PM on Thursday June 2, 2022, to Mr. Tashi Wangdi, SSD

I would like to nominate the following third year student (must be graduating in 2022):
Ms./Mr.

Program:

RTC Enrollment #

Reasons for Nomination (Contributions to RTC), Highlight the things that selection will be based on:

1. a) Significance of the leadership contributions to RTC **(60%)**
2. Length, consistency, and variety of contributions, i.e., contributions during students' entire time at RTC will be considered **(25%)**
3. Evidence of other contributions to the wider community while enrolled as a student, with an emphasis on volunteer or charitable work. How has the nominee demonstrated excellence in the wider community? Include relevant comments on the duration of involvement in a project, the impact of their involvement, whether originality was involved and if the nominee had a leadership role. **(15%)**
4. Note that truly outstanding work in paid student positions (RA or IT Library Assistants, Student Gym Assistant etc.) can "round out" a leadership record. But, by itself, it will not normally merit this award.
5. Students with a disciplinary record at RTC will be not accepted as nominees.

Please note that the number of nominations is not important. Selection will be based on the 3 criteria listed above. Students with a disciplinary record at RTC or an academic record making their July 2022 graduation unlikely are not eligible for this award.
